**The University has an enduring commitment to the education and advancement of underrepresented populations in America and the global community. Howard University's unique mission represents an unwavering commitment to its core values of leadership, excellence, truth and service.**

Established in 1867, Howard University is a federally chartered, private, doctoral research extensive university located in Washington, DC. With an enrollment of approximately 11,000 students in its undergraduate, graduate, professional, and joint degree programs, which span more than 120 areas of study within 13 schools and colleges, the University is dedicated to educating students from diverse backgrounds. Since its founding in 1867, Howard has awarded more than 120,000 degrees and certificates in the arts, the sciences, and the humanities.

## Schools & Colleges

Howard University is made up of 14 schools and colleges.
